

WARDROBES

The SINFONIE PLUS system wardrobe series includes elegant, spacious **sliding door wardrobes** and a newly developed **hinged door wardrobe** generation. The wardrobe series offers virtually unlimited design and combination options.

ACCESSORIES

SINFONIE PLUS cabinets can be fitted with a variety of smart and practical features. The **interior wardrobe designs** come in two attractive decor options. The possibilities for an individual design of the wardrobe layout and the convenient use of all compartments are extremely versatile.

SMARTLIVING

SMARTLIVING by SINFONIE PLUS stands for especially

comfortable living and sleeping.

The focus is on hi and comfortable single and double beds. All SMARTLIVING beds are fitted with bed frames in luxury height. Smart accessories complement our comfort beds series.

OCCASIONAL FURNITURE

The SINFONIE PLUS hinged door wardrobes and bed units are great in combination with bedside tables, doored cabinets, cabinets with drawers and combination chests of drawers from the incredibly diverse occasional furniture ranges **SINFONIE PLUS** and **RUBIN**.

BEDS

SINFONIE PLUS beds offer comfortable frame heights and a quadruple adjustable slatted frame for easy access and comfortable waking up after a restful night.

Choose from attractive

headboards , different foot sections and many charming decor, types of glass and leather-look and fabric upholstery. Matching

bedside tables

complete the bed range.

SINGLE LIVING

SINGLE LIVING by SINFONIE PLUS – modern solutions for a compact household. Everything you need for a **teenage bedroom** or completely accessorise your **apartment** hinged door wardrobes, beds and practical accessories such as storage with wheels, a desk or a smart lowboard.

SLIDING DOOR WARDROBES

SINFONIE PLUS sliding door wardrobes are available in **nine elegant fronts**, with an incredible number of options for the individual design of the wardrobe fronts and the intelligent interior designs in a selection of two interior decors.

The 2-, 3- or 4-door sliding door wardrobes
– suitable for your space - are available in different
widths from 113 - 400 cm and heights from 200 - 240 cm.

Attractive, energy-efficient **LED wardrobe lighting**, illuminated decorative tops and universal mounts create a pleasant light and an atmospheric mood in the bedroom.

All SINFONIE PLUS cabinets are **quality products** "Made in Germany". You get a 5-year warranty on every purchase*.

HINGED DOOR WARDROBES

In addition to the sliding door wardrobes, the SINFONIE PLUS system wardrobe range also includes hinged door wardrobes. This wardrobe concept makes it possible to use every individual combination of **hinged door modules**, sliding door wardrobes or practical **design elements**. For example with corner wardrobes, open and closed shelves or with angled elements.

SINFONIE PLUS hinged door wardrobes are available in six different front versions. Ten different decors and nine attractive glass and mirror types are available for the wardrobe design.

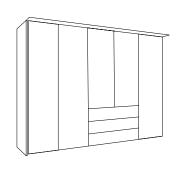

All SINFONIE PLUS hinged door wardrobes are of course also manufactured in Germany. Our quality promise is reflected in our 5-year warranty*.

*More at www.staudmoebel.de

Hinged door wardrobe version 41-49 in body decor light grey, front light grey glass/crystal mirror, handle rails/decorative strips narrow chrome coloured. And universal mount without lighting. SINFONIE PLUS bed unit, floating foot section and upholstered headboard Royal in a leather look beige. With bedside table from the SINFONIE PLUS bed range (from page 36).

BEDROOM FURNITURE DIGITAL

Visit STAUD online Explore the latest sliding and hinged door wardrobes, beds and occasional furniture from our extensive range from the comfort of your own home, or while out and about from your mobile or tablet. The page lists furniture shops near you where you can experience the STAUD bedroom furniture live.

Let us show you the many possibilities to make your rooms even more beautiful with attractive furniture from our "Made in Germany" production.

FURNPLAN

3D visualisation tool

Your furniture dealer uses this professional software to visualise in 3D the design of your bedroom with furniture from the SINFONIE PLUS system series. It's very fast and great fun.

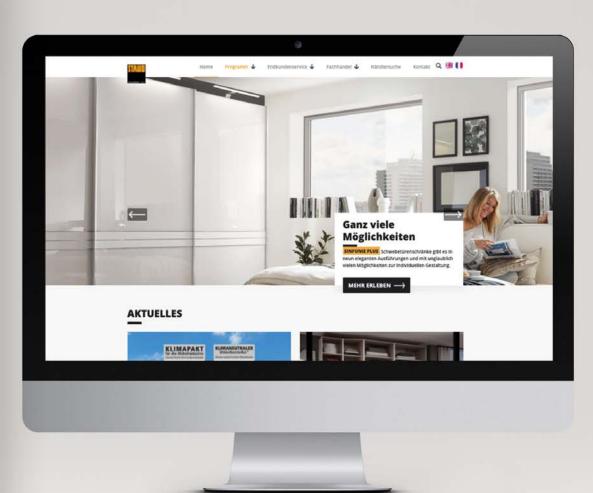

CONFIGURATOR

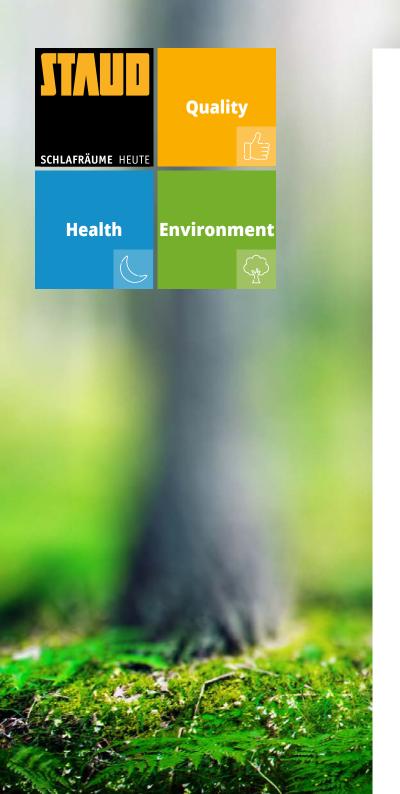

SINFONIE PLUS sliding door wardrobe configurator

You can explore all possible wardrobe design options with the configurator for SINFONIE PLUS sliding door wardrobes. Try it out and let your furniture dealer help you configure version, front and body of your wardrobe in line with your requirements.

www.staudmoebel.de

ON A PATH OF SUSTAINABILITY.

We at STAUD have been making high-quality bedroom furniture in Bad Saulgau for over 370 years. Set in the charming countryside of Upper Swabia, protecting our environment and improving our production and logistics processes is a matter close to our heart. We are proud of the successes we have already achieved:

CLIMATE-NEUTRAL FURNITURE MANUFA

The German Association of Quality Furniture (DGM) has recognised Martin Staud GmbH as a climate-neutral furniture manufacturer. Martin Staud GmbH is thus consistently continuing its chosen path for sustainable production and logistics.

MORE RECYCLING

2,824 tonnes of resources saved. These values are certified by the "resources SAVED ® from interseroh – zero waste solutions" recycling certificate for the year 2020.

LESS CO,

State-of-the-art photovoltaic technology used on the roof of the building enables us to generate an environmental contribution of approx. 280 t CO2 per year in the manufacture of our furniture. In addition, by making its new production facilities more ecological, STAUD was able to reduce greenhouse gas emissions by 342 tonnes in 2020.

QUALITY BY TRADITION

5-YEAR WARRANTY

As a first-time buyer, we give you a 5-year warranty (mehr auf www.staudmoebel.de) on material and surface finish, functional reliability and professional processing of all Martin Staud GmbH products

des gerrifte mitel

THE RAL QUALITY MARK "GOLDENES M"

With its quality mark "The Golden M", the German Association of Quality Furniture (DGM) sets standards in terms of furniture quality, safety and health.

MADE IN GERMANY

For generations, "Made in Germany" has stood for products with high value, top quality, professional workmanship and a long service life.

BQ - ALLIANCE FOR QUALITY

The "BQ" label of the alliance for quality stands for excellent product quality and high standards in terms of assembly and product service.
