Lay down and get up in comfort.

SONATE beds come in two heights – comfortable height and generous luxury height, adjustable to body size and individual needs.

45.5 cm
Comfortable height

The most common height is the comfortable height of 45.5 cm.

52.5 cm
Luxury height

Beds in luxury height have a frame that is 7 cm higher than the comfortable height.

COMBINATIONS

In the luxury height, feet and strip can be colour-coordinated or contrast with the decor of the bed frame. The strip is always the same colour as the foot.

BEDS WITH WOODEN HEADBOARD

1/

Bed frame angular decor pearl grey in luxury height with feet angular and strip decor black matt, wooden headboard decor pearl grey, bedside table body decor pearl grey, front pearl grey glass with handles black matt.
