# OPEN TO YOUR DREAMS.

**WARDROBE, BED, CHEST OF DRAWERS – TO SUIT YOUR STYLE. TURNING YOUR BEDROOM INTO YOUR NEW FAVOURITE PLACE.**

With our wardrobes your bedroom will be your best friend. Because our hinged door range is designed to fit your lifestyle. Just choose your favourite elements and the matching sizes. And your home will perfectly adapt to you and the changes in your life whenever necessary. **And one more thing:** Our furniture is produced under

fair and sustainable conditions. For example, they are tested by independent experts for compliance with all guidelines on substances harmful to health.

## WARDROBES

It only takes two doors to make an impact. The large doors easily and elegantly slide over each other – for plenty of space in front of the wardrobe. Convenient not just for small bedrooms.

## ACCESSORIES

Drawers, shelves, trouser racks and many other elements to keep things neat and tidy. Plus sustainable LED lighting on the outside of the wardrobe for a more atmospheric mood.

## BEDS

Make yourself comfortable: with high-quality comfortable and luxury height beds and with a stylish upholstered headboard. To match your wardrobe – or not. To suit your individual style.

## ACCESSORIES

Lighting, storage with wheels, bedside tables and other practical accessories complete the bedroom.

## SYSTEM

You rarely just need a wardrobe and a bed. Bedside tables and chests of drawers in many sizes are great for keeping things tidy if you need extra storage. And they're great to mix and match.

## ACCESSORIES

Glass tops, drawers with full pull-out, drawer dividers – we have thought of everything for sweet dreams in your bedroom.
